

Study Guide for Healthy People 2030 in Your Work

A self-study continuing education course providing 12.0* Category 1 NCHCEC CECHs for CHES® and MCHES® (includes 6.0 advanced CECHs for MCHES®)

General Information	<p>Instructor: Jim Grizzell, MBA, MA, MCHES®, ACSM-EP, FACHA Email: jimgrizzell@healthedpartners.org Phone: 909-856-3350 (cell, please call between 8 am - 7 pm PT) Project Tools: All materials available online</p>
 Course Description    	<p>Directed Self-Study: a learning experience and skill development experience to meet CHES®/MCHES® responsibilities and competencies** related to using Healthy People 2030 resources to achieve the national objectives:</p> <ol style="list-style-type: none"> Identifying needs and priority populations – learn about national goals, see how they align with your priorities, focus on groups affected by health disparities (Areas I, II, VI) Set your own targets – find data related to your work, use national data but set local targets. (Area I, II) Find inspiration and practical tools – explore critical public health topics relevant to your work; learn about successful programs, policies, and interventions; look for evidence-based resources and tools your community, state or organization can use. (Areas II, III, V, VII) Monitor national progress – and use it as a benchmark – check for updates on progress toward achieving national objectives, use national data to inform your policy and program planning, see how your progress compares to national data. (Area IV) <p>The participant tailors portions of the learning experience by selecting materials to study the development of the national health promotion and disease prevention objectives for 2030. Studying is self-paced without regard to time or location.</p>
Course Goals	The participant will be able to act as a knowledgeable resource person on development, planning, implementation and evaluation of local programs.
Course Requirements	<p><u>Study Materials:</u> Development of Healthy People 2030 web pages and documents <u>22-Question Test</u> (TF, Y/N, multiple choice, very short and short answer (≤50 words), passing ≥70% correct) <u>Course Evaluation</u> (included after last test question)</p>
<p>The course will be done electronically using the email and the web using links in the Study Guide Study Guide: www.healthedpartners.org/ceu/hp2030/hp2030studyguide.pdf Test: https://www.surveymonkey.com/r/hp2030inmywork</p>	
Course Completion Certificate	Course completion certificate for 12.0 CECHs (includes 6.0 advanced hours) for the National Commission on Health Education Credentialing will be awarded if test score is ≥70%, course evaluation is completed, and payment is received.

Contents

Introduction	2
1. About: Framework, Changes from Healthy People 2020, Timeline, Workgroups, Promoting Healthy People 2030 Toolkit, History, Custom List	2
2. Objectives and Data: Leading Health Indicators, Social Determinants of Health, About the Objectives, Data Sources and Methods	4
3. Tools for Action: Evidence-Based Resources, Use Healthy People 2030 in Your Work	6
Test Instructions – NOTE: completion certificate emailed generally within 72 hours after test is received	7

* Continuing education hours are based on reading speed of 250 words per minute and two minutes per slide.

** Key related CHES®/MCHES® responsibilities and competencies are in () and in Study Guide’s Introduction section.

Study Guide for Healthy People 2030 in Your Work

 <p>Workgroups</p> 	<ul style="list-style-type: none"> ○ https://health.gov/our-work/healthy-people-2030/about-healthy-people-2030/health-literacy-healthy-people ○ History of Health Literacy Definitions – (~15 minutes) ○ https://health.gov/our-work/healthy-people-2030/about-healthy-people-2030/health-literacy-healthy-people/history-health-literacy-definitions ○ 1b. How has Healthy People changed? – Read text on the page including the “Learn more about Healthy People 2020 objective labels” (click on the up/down arrow button ) (~30 minutes) ○ https://health.gov/healthypeople/about/how-has-healthy-people-changed ○ Do a <u>search on one</u> (1) objective number (if you are familiar with them) or topic using a key word (e.g., “marketing” for social marketing. Type an objective or topic area of your interest. Click on the  button. Be prepared to say what you found about it being retained, modified, related or removed for a test question. (~15 minutes) ● 1c. Timeline – read the items in each time period (~15 minutes) <ul style="list-style-type: none"> ○ https://health.gov/healthypeople/about/timeline ● 1d. Workgroups – select (click on) and read about one (1) of the over 40 groups of federal subject matter experts of an area/topic of your interest. Read text on that page but, for this course, you do not need to click on and read links from your selected workgroup’s page. Be prepared to very briefly describe the work of your one (1) selected workgroup on the test. (~30 minutes) <ul style="list-style-type: none"> ○ https://health.gov/healthypeople/about/workgroups ● 1e. Promoting Healthy People 2030 – just read the short paragraph. Do not click on and go to the “Go to the promotional toolkit at health.gov” yet. You will study this in Section 3 of this Study Guide. (~5 minutes) <ul style="list-style-type: none"> ○ https://health.gov/healthypeople/about/promoting-healthy-people-2030 ○ 1f. Create your own customized list of objectives to use in your work – follow the instructions on the page. Browse/explore the objectives. As you browse, use the Add to Custom List button on individual objectives pages. (~30 minutes) <ul style="list-style-type: none"> ○ https://health.gov/healthypeople/custom-list ○ You will see the number of objectives you selected in () in the green box. Their id numbers will be in the URL/web page link. ○ Be sure to bookmark the custom list page. Use it each time you come back to work on this course or for your work using Healthy People 2030. NOTE: If you add or remove objectives on your list you will need to re-bookmark / book mark the page again. Consider renaming the bookmark. ○ Be prepared to copy the link and paste it into the answer box on the test. ○ Study/review how Healthy People 2030 addresses COVID-19 – Check out the ODPHP COVID-19 Custom List. It is linked from the bottom of the Healthy People 2030 homepage (https://health.gov/healthypeople) and has this link: (~15 minutes) ○ https://health.gov/healthypeople/custom-list?list=odphps-covid-19-custom-list
<p>~4.0 hours (in 5 to 40 minutes sections)</p>	 <p>Section 2: Objectives and Data</p>

Study Guide for Healthy People 2030 in Your Work

HHS release of HP2030 Leading Health Indicators expected 2021

Leading Health Indicators
Leading Health Indicators (LHI) are a small subset of high priority objectives selected to drive action toward improving health and well-being.
Learn more about Leading Health Indicators

Social Determinants of Health
Healthy People 2030 includes objectives that highlight how personal, social, economic, and environmental factors can impact people's health.
Read about the social determinants of health

After studying the material in this section, the participant will be able to:

- List the five “intuitive topics” their 62 combined respective topics
- Explain the small subset of high-priority Healthy People 2030 objectives in the Leading Health Indicators
- Describe the Social Determinants of Health and how Healthy People 2030 addresses them
- Explain the types of and development of the objectives
- Explain what the data source are and methods of target setting

Assignments

• Read/study

- **2a. Browse the objectives** – Pick one (1) “intuitive topic” (e.g., Setting and Systems) plus an objective (e.g., Reduce exposure to lead – EH-07) you are interested in or related to your work and explore it. Be prepared to briefly state the topic area, objectives, Objective Status, and objective you selected. (~45 minutes)
 - <https://health.gov/healthypeople/objectives-and-data/browse-objectives>
- **2b. Leading Health Indicators** – read the text on the web page (~5 minutes), and the recommendations from the Secretary’s Advisory Committee (4-page document, ~20 minutes) and National Academies of Sciences, Engineering, and Medicine (Summary only, ~20 minutes).
 - <https://health.gov/healthypeople/objectives-and-data/leading-health-indicators>
 - **Read the 4-page recommendations** from the Secretary’s Advisory Committee (1,800 words, ~20 minutes)
 - https://www.healthypeople.gov/sites/default/files/Committee-LHI-Report-to-Secretary_1.pdf
 - **Read the 7-page Summary only** of the National Academies of Sciences, Engineering, and Medicine, pages S-1 thru S-7 (12th thru 18th pages with a table in the 151-page document) (2,700 words, ~20 minutes), NOTE: if you want to just download the Summary section, use the second link.
 - **Entire 151-page file:** <https://health.gov/sites/default/files/2020-02/NASEM%20HP2030%20LHI%20Committee%20-%20Report%20-%20January%2022%202020.pdf>
 - **Summary only with pages S-1 thru S-7**
www.healthedpartners.org/ceu/hp2030/nasem-lhi-summary.pdf
- **2c. Social Determinants of Health** – read text on the page (~3 minutes)
 - <https://health.gov/healthypeople/objectives-and-data/social-determinants-health>
 - Click on and read the text (including the Evidence-based resources related to the domain) of each of the 5 domains. Be prepared to describe what you learned about them to answer test questions (~15 minutes each, ~75 minutes total)
 - **Economic Stability**
 - <https://health.gov/healthypeople/topic/economic-stability>
 - **Education Access and Quality**
 - <https://health.gov/healthypeople/topic/education-access-and-quality>
 - **Health Care Access and Quality**
 - <https://health.gov/healthypeople/topic/health-care-access-and-quality>
 - **Neighborhood and Built Environment**

Study Guide for Healthy People 2030 in Your Work

 <p>Foundation Health Measures The Foundation Health Measures (FHM) are broad, global outcome measures of overall health and well-being intended to assess the Healthy People 2030 Vision. Healthy People 2030 FHMs are expected to be released in late 2020.</p> <p>Learn about Objective Types Healthy People 2030 includes 3 types of objectives—core, developmental, and research—that are maintained throughout the decade.</p> <p>Learn about the different types of objectives</p>  <p>Data Sources and Methods Healthy People 2030 uses dozens of data sources to set national targets and track progress toward achieving objectives.</p> <p>Read more about Healthy People data</p> 	<ul style="list-style-type: none"> ○ https://health.gov/healthypeople/topic/neighborhood-and-built-environment ○ Social and Community Context ○ https://health.gov/healthypeople/topic/social-and-community-context ○ Review the topics and descriptions of research related to SDOH and other efforts to Address SDOH – (~30 minutes) <ul style="list-style-type: none"> ○ Research ○ https://health.gov/healthypeople/objectives-and-data/social-determinants-health/literature-summaries ○ Partners ○ https://health.gov/healthypeople/objectives-and-data/social-determinants-health/healthy-people-partners-and-sdoh ● 2d. Foundation Health Measures – at time of developing this course there is not a link on the “Objectives and Data” page. They are to be released in 2020 (see the Timeline). Here is the placeholder linked page (~5 minutes) <ul style="list-style-type: none"> ○ https://health.gov/healthypeople/objectives-and-data/foundation-health-measures ● 2e. Learn about Objective Types – read text on the page (~5 minutes) <ul style="list-style-type: none"> ○ https://health.gov/healthypeople/objectives-and-data/about-objectives ● 2f. Data Sources and Methods – Read the text on the page (and pages from the three sections (where data comes from target-setting methods, about NCHS) linked from the page (~5 minutes) <ul style="list-style-type: none"> ○ Where do Healthy People data come from? Data Sources (~10 minutes) <ul style="list-style-type: none"> ○ https://health.gov/healthypeople/objectives-and-data/data-sources-and-methods/data-sources ○ Target-Setting Methods - ~15 minutes <ul style="list-style-type: none"> ○ https://health.gov/healthypeople/objectives-and-data/data-sources-and-methods/target-setting-methods ○ About the National Center for Health Statistics (NCHS) – read text on the NCHS home page (you don’t need to click on and go to links from this page). (~15 minutes) <ul style="list-style-type: none"> ○ https://www.cdc.gov/nchs/index.htm
<p>~1.75 hours (in 10 to 60 minute sections)</p>  	 <p>Section 3: Tools for Action</p> <p>After studying the material in this section, the participant will be able to:</p> <ul style="list-style-type: none"> ● Describe evidence-based resources (EBRs) and how to use them. ● Explain how to use the toolkit for Promoting Healthy People 2030 in your work <p>Assignments</p> <ul style="list-style-type: none"> ● Read/study – <ul style="list-style-type: none"> ● 3. Tools for Action – read the text on the page (~10 minutes) <ul style="list-style-type: none"> ○ https://health.gov/healthypeople/tools-action ● 3a1. Explore the Evidence-Based Resources – 1a) explore the resources by reviewing several topics and their sub-topics. 1b) Narrow your exploration to ones you may use in your work or of interest to you. Select one to describe the “about this Resource” and the “Reference(s)” in a text answer on the test.

Study Guide for Healthy People 2030 in Your Work

	<p>Be prepared to describe an EBR you would like to consider using in your work. 2) Also, read the text on the Learn more about what EBRs are and how to use them. (~60 minutes)</p> <ul style="list-style-type: none"> ○ https://health.gov/healthypeople/tools-action/browse-evidence-based-resources <ul style="list-style-type: none"> ○ 3a2. Learn more about what EBRs are and how to use them ○ https://health.gov/healthypeople/tools-action/browse-evidence-based-resources/evidence-based-resources ● 3b. Use Healthy People 2030 in Your Work – read text on the web page, click on the “See the graphic” button. (~5 minutes) <ul style="list-style-type: none"> ○ https://health.gov/healthypeople/tools-action/use-healthy-people-2030-your-work ○ 3b1. Help promote Healthy People 2030 – click on and go to the “Explore our promotional toolkit” Click on the button. Read/study the text on the Promoting Healthy People 2030 web page. (~30 minutes) <ul style="list-style-type: none"> ○ https://health.gov/our-work/healthy-people-2030/promoting-healthy-people-2030 ○ 3b2. Sample Social Media Messages and Graphics - Read each of the nine (9) sets of messages and graphics. Select one social message you might be able to use with an organization you work with, a listserv, a LinkedIn or Facebook group, or text message. For a test question copy the text for the message and paste it in the test question text box. <ul style="list-style-type: none"> ○ https://health.gov/our-work/healthy-people-2030/promoting-healthy-people-2030#sample ○ 3b3. Tips for Promoting Healthy People 2030 on Social Media <ul style="list-style-type: none"> ○ https://health.gov/our-work/healthy-people-2030/promoting-healthy-people-2030#tips ○ 3b4. “How to Use Health People” Graphic <ul style="list-style-type: none"> ○ https://health.gov/our-work/healthy-people-2030/promoting-healthy-people-2030#howtousegraphic ○ 3b5. Sample newsletter content <ul style="list-style-type: none"> ○ https://health.gov/our-work/healthy-people-2030/promoting-healthy-people-2030#newsletter
<p style="text-align: center;">~1.0 hour</p> 	<p>Take 19 Question Test and Complete the Course Evaluation (included at end of test)</p> <p>The test has 22 questions (two true/false, 10 multiple choice questions, and 10 very short and short answer (≤50 word) questions). To get the five points for answering the short answer questions be sure to click “Yes” on the question following the text box.</p> <p>Be sure provide your name, and CHES/MCHES or other certificate type, plus ID/registration number that should be on your completion certificate. Give email address so your completion certificate can be emailed to you (usually emailed within 3 days after test completion notification is received).</p> <p>You can go back and change answers even after you complete the test. You can "Exit" the test and return to answer more questions (only on this device (computer, laptop, cell phone; a cookie allows this).</p> <p>Be sure to enable cookies for the browser you will use. Here’s a link to SurveyMonkey help on cookies: https://help.surveymonkey.com/articles/en_US/kb/How-do-I-enable-cookies-on-my-computer</p>

Study Guide for Healthy People 2030 in Your Work

After the last test and course evaluation questions you will see your score with percent correct and test answers, and summary of responses of other test takers. If you scored less than 70% you can go back and change answers or, even if $\geq 70\%$, to increase your score. You must use the same device (computer, laptop, cellphone) do be able to reopen the test web page (a cookie is saved on your computer to allow this).

After you complete the test a notification is automatically sent to Health Education Partners. To ensure, however, Health Education Partners knows you completed the test complete the short form on the web page you will be taken to after clicking the last "Done" button.

Completion certificates are usually emailed to participants within 72 hours (most often same day) after notification the test was completed.

Complete the test online at this link: <https://www.surveymonkey.com/r/hp2030inmywork>

If you have any questions, contact Jim Grizzell at jimgrizzell@healthedpartners.org.
